LOCATION OVERVIEW

Fit 406 is a bootcamp that gets you the fitness results that you want in a fraction of the time of normal workouts and welcomes everyone regardless of fitness level. Our coaches will help you modify any movement during the session, or give you the push you need to reach your goals. Our combination of HIIT, tabata, cardio and strength training sessions is the formula for success.

Our group sessions are 45 minutes long. This is the perfect workout for the busy lives we lead. No more boring treadmill workouts. No more going to the gym and not knowing what to do once you get there. We have taken the guess work out! We have planned a fun and challenging, full body workout that will give you the results that you desire. Our coaches are certified fitness instructors that encourage, support and help you stay accountable to your fitness goals.

We like to think of Fit 406 Bootcamp as a community where people come together, form friendships and work on similar fitness goals. We are like a big family. There is no judging, just friendly supportive people just like you. Fit 406 Bootcamp is a safe place to be yourself!

Our new space is fresh, clean and motivating! The Body wants to move and we have plenty of room to shuffle, sprint and push sleds.
