CERRITOS, CALIFORNIA

Cerritos is located in the heart of the Los Angeles/Orange County metrocenter, midway between Downtown Los Angeles and the business centers of Irvine, Santa Ana and Anaheim. Because Cerritos is virtually the geographic center of the Los Angeles Basin, it has become one of Southern California's premier commercial crossroads. Cerritos is served directly by three major freeways and is close to two others.

Cerritos on Wheels (COW) buses, Long Beach Transit, Norwalk Transit, the Orange County Transit Authority and Metro offer frequent service throughout the community. Air transportation is available at Long Beach Airport, Los Angeles International Airport and Orange County's John Wayne Airport.

Families are attracted to Cerritos by the outstanding ABC Unified School District and Cerritos College.

A total of 28 parks and recreation facilities in Cerritos provide residents with playing courts, athletic fields, picnic shelters and meeting rooms. Also, residents can swim laps or take courses at the Cerritos Olympic Swim and Fitness Center. The City's Iron-Wood Nine Golf Course is a popular course with the City's golfers. The Community Gymnasiums at Cerritos and Whitney High Schools provide youth activities and indoor sports for residents of all ages.

Beautifully maintained neighborhoods, carefully planned retail areas, abundant recreational facilities and a world-class performing arts center make Cerritos an exciting, attractive place to live and work.
