PROPERTY OVERVIEW

This property boasts an impressive frontage of 70 feet on 124th Street, ensuring excellent visibility and exposure to passersby. The parking area effortlessly accommodates over 30 vehicles. The fully built-out kitchen features a 14-foot Type 1 Hood. The building offers a front and side patio, providing a welcoming and attractive outdoor area for customers or guests to enjoy. In the rear of the property, a unique and entertaining feature awaits—a horseshoe pit, creating a recreational space for fun and games.

Other use options: Property could make a great daycare center, specialty grocery store, liquor store, boat or vehicle service repair shop, assisted living facility, church, boutique hotel, or small care center.

PROPERTY HIGHLIGHTS

- Two upgraded HVAC systems
- Smoke alarm system with laser alarm and fully sprinklered
- Secondary gas lines stubbed out for additional use if needed
- Electrical Panels with a 3 System backup
