# Investment Highlights

#### **NEAR MULTIPLE COLLEGES/UNIVERSITIES**

Community is located near Texas Tech University, Lubbock Christian University, and Wayland Baptist University (Lubbock Campus). There are near 60,000 college/university students that call Lubbock home.

#### PROXIMITY TO MAJOR ECONOMIC DRIVERS

Positioned less than a few miles from the city's top economic drivers including Texas Tech University, University Medical Center and Covenant Health System. All three combined support over 13,700 jobs within the community.

#### ABILITY TO CAPITALIZE ON BULK/PORTFOLIO PRICING

Dimora Village is being priced with "bulk" (commercial) pricing. An attractive strategy is for the Buyer to implement an individual property disposition plan. This would enable the owner to capitalize on an individual property value differential of over \$75,000/duplex (based on actual sale comps over the last 12 months).

#### RENT UPSIDE THROUGH INTERIOR UPGRADES

Current Ownership has seen rental increases from \$100 a month with a moderate renovation (\$6000/unit) to over \$400 a month with an extensive renovation (\$12,000/unit).

#### **OFFERED FREE & CLEAR OF EXISTING DEBT IMPROVEMENTS**

New ownership has the opportunity to place new debt on the asset with favorable terms and record low interest rates

# Value Creation Strategies

#### **CONTINUE INTERIOR RENOVATIONS**

There is a great value-add opportunity in continuing current interior unit renovations and leasing them out for \$100-\$400 monthly increases with varying levels of renovation.

#### **INSTALL A PET PARK**

With the additional land (roughly 1 acre) that in included in the purchase, it is perfectly set up for a fenced area with benches and cleanup stations for pets to roam around. This helps create a community feel and bring more amenities to attract tenants.

#### **IMPLEMENT WASHER & DRYER RENTALS**

All units currently have Washer and Dryer connections. There's an opportunity to increase revenue by renting washer and dryer machines to select units that don't have their own machines.

#### BILL BACK INTERNET/CABLE

Currently ownership includes an Internet/Cable package with the monthly rent. There is an opportunity for the next owner to bill back internet/cable to add another form of income.

### **Information About Brokerage Services**

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

#### TYPES OF REAL ESTATE LICENSE HOLDERS:

- A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

#### A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

#### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH** - **INTERMEDIARY**: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
- o that the owner will accept a price less than the written asking price;
- o that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
- o any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

#### TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
